Julia's Wins Best Salsa on the Hill Contest at last month's event

The Chamber is proud to announce Julia's Restaurant as the winner of CHCC's 2008 Best Salsa on the Hill contest. Capitol Hill Chamber and community members gathered at the Chamber house last month to taste salsa provided by various restaurants on Capitol Hill and vote on which is best. It was a very tight race with a three way tie for winner when votes were counted while other salsas trailed behind by only a couple votes! After a heated tie breaker Julia's proved to be the overall favorite with the majority of the final votes. Congrats to **Julia's** and a special thanks to **Rosebud Restaurant and Bar**, **Charlie's Bar and Grill**, **Coastal Kitchen** and **Crave** for participating.

We had over sixty Chamber and community members attend our Chips and Salsa event and had a wonderful time getting to know all our guests. Thanks to everybody who came and to new members who signed up. We look forward to seeing you at more upcoming events.

Important update from CHID

Upon analysis of the five month drive to obtain signatures from property owners in support of a Capitol Hill Improvement District Clean and Safe program, the Capitol Hill Chamber Board decided to discontinue this effort.

Strong pockets of the community supported the goal, but the Improvement District did not garner the level of support required to move forward. The Chamber will continue to champion Clean and Safe programs through existing and other means while encouraging property owners on Capitol Hill to unite as a group within the Chamber and become proponents for a full range of concerns that will have a future impact on the neighborhood.

Brand and Messaging Will Help Update and Elevate Seattle Neighborhood's Status as Great Place to Live, Work and Shop

- The Capitol Hill Chamber of Commerce has hired Kite Inc., a full-service brand strategy and design firm, to begin work on the first phase of a brand development project for Seattle's Capitol Hill neighborhood. Kite will help promote and accentuate the neighborhood as a great place to live, work and shop.

Part of a comprehensive 5-year strategic marketing communications effort, one of the primary goals of the program is to promote Capitol Hill as a shopping, dining and entertainment destination that will remain vibrant during the 6.5 years of Sound Transit light rail construction beginning in 2009.

"Through this initiative, we hope to identify, illuminate and communicate the attributes of Capitol Hill that are unique and beloved by residents and visitors alike," said Jack Hilovsky, executive director of the Capitol Hill Chamber of Commerce. "With Kite's approach, we look forward to gaining a better understanding of our customer's perceptions and experiences, recognizing the goals of multiple stakeholders and ensuring a long-term commitment to our neighborhood's economic vitality and diversity."

Kite will work closely with a group of community stakeholders that include local business owners and residents to gain a deeper understanding of the neighborhood's needs and ambitions.

Financial partners in this effort include the Capitol Hill Chamber of Commerce, Broadway Business Improvement Area, and Sound Transit.
